#### 1. Just Add Water

Any aspect of water in our environment – may include people, weather events, rural landscapes before, during & after rain, flora & fauna. Images should tell a story.

#### 2. Rural Landscape

Images should showcase the unique rural and agricultural landscapes of the Darling Downs

#### 3. Working on the Farm

Images to portray production of food and fibre, daily & seasonal activities, new and tried and true technologies.

#### 4. Best Farm Buddies

May include any combination of animals and /or people.

#### 5. Wildlife on the Downs

Single-species images of native fauna including birds, mammals, reptiles, insects in their natural habitat.

#### 6. Drone Images: The Big Picture

This new category is for images which showcase farming activities and rural landscapes on the Downs from above.

#### 7. Special Category: On Our Selection\*

Images from the 1800's to 2000 should portray our farming & pioneering heritage on the Downs and may include rural life, farming activities, transport, buildings, home gardens, community events. Family portraits do not suit this category unless in a rural setting. Details of where and when photo was taken required.

\* Winners to be selected by People's Choice at Royal Bulls Head Inn at Drayton (Sept. 20 - 25) during Carnival of Flowers Week.

## Nicki Laws Perpetual Trophy

**Best Visual Presentation Promoting a Landcare Activity in this Region**

**Theme: "Making a Difference"**

**Total Entry Fee: \$5.00 (Max. 3 entries per group/individual)**

**Open to:**

- **ALL Landcare Groups within Darling Downs/ Condamine Catchment area (DD/CC)**
- **Individual Landcare Group members**
- **ALL groups within the DD/CC with an interest in the environment.**

Presentation will showcase examples of Landcare activities such as: weed management, protecting & managing waterways, planting & conserving native plant species, habitat restoration, trapping feral animals, using sustainable methods of farming, innovative projects to address challenges, trialling new technologies, community events such as field days, workshops & guest speakers.
